

Deb® Ultra WIPES

Product Information Sheet

Description: Easy-to-use hand cleansing wipes, impregnated with a specialist formulation based on dibasic esters to remove paints, inks, resins, adhesives and most other print and paintshop contaminants.

Usage: For use without water whilst on the move or at the work point.

Method of Use: Use a single wipe directly on hands. Rub well until soiling is removed.

Feature	Benefit
Highly effective	Impregnated with an advanced hi-tech formulation liquid that includes dibasic esters to quickly and safely remove printers inks, synthetic, 2-pack and cellulose paints, base coats and lacquers, body fillers, adhesives and sealants plus most other print and paintshop contaminants.
Powerful	Tough, extra large wipes are strong and absorbent, acting quickly and effectively leaving no sticky after-feel.
Contains added glycerine	Highly effective and environmentally friendly moisturiser for conditioning the skin, helping it to feel soft and supple after use.
Pleasant citrus fragrance	Perfume makes the product pleasant to use and leaves the skin smelling fresh.
Caring yet effective formula	An effective alternative to aggressive solvent cleansers, these wipes are suitable for regular use.
Convenient	The handy, easy-to-use tub can be used on-the-move or kept at the work point and used throughout the day with no need for water.
Hygienic	Stored in a sealed container to protect from contamination and ensure that each wipe is fresh when used.

Deb® Ultra WIPES
